2017 GARMENT STYLE PACK

JOB NAME: KTM Racing - BlueOrange Design

STYLE PACK SHEET: 2/2

SO NUMBER: SOG1520

ARTWORK CREATED: 12/07/17

SUBLIMATION DESIGN MASTER FILE:

SOG1520_KTM_BlueOrange_PM2411_2XL_2.ai

Above named design file can be supplied upon request.

SIZING METHOD OF DESIGN FOR GARMENTS:

Design is scaled up/down by approx. 3% between sizes to keep overall appearance of garment the same. If sponsors/logos are required to remain a specific size & position across the full size range it must be stated upon placement of order.

NB. Aligning design aspects over seams is not possible.

GARMENT COLOURS:

Garments will be produced to supplied artworks CMYK colour values unless specified to be matched. If colour matching is required we will require a physical sample or a pantone colour reference to match to. This may incur an additional charge and can effect lead times.

COLOURS USED:

100/100/0/50

0/70/100/0

100/0/0/25

in type face stated above.

Garment personalisation will be reproduced in upper and lower case as per supplied information unless specified otherwise.

LETTERS (AaBbCc):

in type face stated above.

APPROVAL:

CONTENTS: Every effort has been made to ensure the content of this proof is correct, however it is the customers' responsibility to read the proof for errors, omissions or spelling mistakes and inform us of any changes required in advance of production.

When this document has been approved, further amendments or changes may not be possible if the production process has begun. Requests for amendments after production has started will incur an additional charge.

COLOUR: This proof is intended to indicate the content of the job and is created using the most appropriate colour separations to show content. It is not, therefore, representative of the actual colours that will be used in the printing process.

We recommend reference to a printed sample where colour accuracy is critical.
